IELTS / PTE

Test Preparatory Course General and Academic

Overview

The International English Language Testing System (IELTS) / Pearson Test of English (PTE) focuses on one of the four skill components of the IELTS/PTE test (Listening, Reading, Writing, and Speaking) that measures the language proficiency of people who plan to study or work in the environments where English is used as a language of communication. It is now a mandatory requirement for people wishing to immigrate to Australia, New Zealand, Canada, US and UK. IELTS - Traditional Paper based Exam, PTE - Computer based Exam.

Course Outline

Listening

Practicing all question types, Recognizing intonation patterns (questions, surprise etc), Understand clearly the accents of the native English speakers including Australians, British and Americans. Listening for specific information, keywords, general information, numbers, transition signals and discourse markers (firstly, secondly, obviously, furthermore, indeed).

Reading

Practicing all question types, skimming (to get a general understanding), scanning (to look for specific information), Developing vocabulary, Summarizing, Determining the writer's attitude and opinion.

Writing

Writing paragraphs, introductions & conclusions, Adjust style according to purpose, Effective Letter writing, Using conjunctions and referents, organizing information logically within a text, Using examples and evidence to support an argument.

Speaking

Practicing all question types, Practicing pronunciation & intonation, practicing fluency, Using and understanding common phrases. Speaking for an extended time on a particular topic, discussing that topic.

Benefits of IELTS/PTE course with MK
